# UU News addendum

AUGUST 22, 2019

**HAVE** you ever wondered what is involved in creating a Worship Service? Would you like to think more deeply about how and why we worship? Would you like to collaborate with other creative people in developing worship? If you answered yes to **any** of the previous questions, I ask you to consider participating in the Worship Associate Program. Through discussion and participation, worship associates will explore the meaning of worship, and what is involved in creating a meaningful worship service.

The commitment for this program is to meet as a group once a month for 8 months with the Minister at a time that is mutually agreeable with the participants. Although you will have the opportunity to participate in a service in different ways, there is no requirement to do so in order to participate in the program.

## WORSHIP ASSOCIATE PROGRAM

If you are interested in participating, please notify me by **September 15th** via email at [minister@uucgc.org](mailto:minister@uucgc.org), text or call 563.284.2223, message me on Facebook or regular mail to my attention at the Congregation.

Please consider participating. It can be a fun learning experience. We are hoping to have participation from a diverse cross section of the Congregation.

With a grateful heart,

Rev. Jay Wolin
