Soul Service TONIGHT

April 10
Wholeness
Soul Service

Our lives are not only about our strengths and virtues; it is also about our liabilities and our limits, our trespasses and shadows. An inevitable though often ignored dimension of the quest for 'wholeness' is that we must embrace what we dislike or find shameful about ourselves as well as what we are confident and proud of. Join us Wednesday as we seek to bring forth

the integration of the whole of who we are, so that we may say at all times, Hallelujah, all is well.

April 21
Resurrect the Earth
Reverend Jay Wolin

This year Easter and Earth Day fall on the same weekend. The Easter holiday highlights both suffering and renewal in our lives. Earth Day highlights the Earth, our home, that we need to survive as a species. The Earth is suffering, in part because of our suffering as a species. I will look at ways that we can renew the Earth and by so doing renew ourselves and our species

We will hold a follow-up session on Saturday, April 27, to finish a few projects. Please watch for details. Thank you.
