## From the Welcome Team

The Welcome Team would like to express our gratitude to the person or persons who made a generous unpledged donation allowing the Kitchen Assistant position to remain. We all love working with Angie and are extremely grateful for her continued presence.

## Thank you!

Hello UU Friends -

This year we raised an impressive amount for keeping our voice on WVIK, our local National Public Radio station. Thanks to your generosity, we have \$1,325 going toward spots about our congregation. These spots will run several times throughout the

week during daytime and evening hours all year long. We let listeners know where we are located, when our services are held, and give them our website address.

This is really great! Thanks so much - you all are the best!

Kathryn Allen

### Garden Team

Thanks to Heather for thinning the carrots and beets, and harvesting large amounts of smallish but still delicious amounts of each of these.

And thanks to Linda Goff for harvesting kale and chard.

And for making Whitey's ice cream look so healthy!

And to both of them for planting some more seeds for a later harvest.

There are some small green tomatoes on the two plants in the square garden. As they ripen, they are for the gardeners to enjoy!

## Community Meal

Dear UUs,

I hope everyone had a glorious 4th of July. Over the weekend, I read a sobering column in the Times that reminded me that "hunger never takes a holiday." That is so true, so it is fitting that I send out this reminder that it is our turn this month to serve the Community Meal at the Salvation Army mealsite in downtown Davenport on **Thursday, July 21**. Ken Hill and Cathy Weideman will be our chefs. I need a shopper, someone to pick up the food at church and return pans afterward, and servers to dish up our delicious lasagna dinner. Workers should report at the mealsite around **5:30 p.m. on July 21**. Please let me know by email [cmeyer1936@medicombb.net](mailto:cmeyer1936@medicombb.net) or by phone (309-794-9677) if you would be available. Again many thanks to the volunteers that make this outreach project possible.
