## **APPRECIATION**

To everyone who donated to the annual opportunity to make a special donation to public radio from our congregation - Thank You! Because of your generosity, we were able to contribute close to \$900 to WVIK, Quad Cities NPR, and just over \$550 to Iowa Public Radio, IPR. These

dollars are used to pay for spots letting the listening audience know that Unitarian Universalism is a presence in their community. The WVIK spots are specific to our congregation, and the IPR spots refer the listener to the statewide Iowa UU website.

Thanks so much! We all benefit from these special gifts.

Any questions? Contact Kathryn Allen at [kasavelie@aol.com](mailto:kasavelie@aol.com).

## Reproductive Justice

The Reproductive Justice Project is based on the UUA study guide facilitated in 2014 at UUCQC. Decisions about children, families and sexuality are some of life's most profound. We advocate for freedom in each person's life journey, but also for the ability of all families and communities to realize a sense of wholeness with regard to their sexual and reproductive lives. This includes working for safe and healthy environments for children and campaigning publicly for just and compassionate laws for family planning, reproductive health and gender equality.

We welcome you to join us as we plan our next activities. Contact Elaine Kresse 563-320-3325 or email [elainekresse@yahoo.com](mailto:elainekresse@yahoo.com). We are currently working with [Planned Parenthood](#), [NARAL](#) and [Edgerton's Women's Health Center](#) to hold a public educational meeting in August.
