Tuesday Night Conversations Returns

19 September, 6:45-8 p.m.

One of the gifts we have at our Unitarian congregation is the diversity of thoughts and beliefs. It is this foundation that Spiritual Practice and Programs, Tuesday Night Conversations is based on. To create a setting in which the opportunity to learn and experience others views can only have an effect that expands and deepens our own way of being. Come and join us as we speak and are heard, listen and receive the gifts of our community.

1st Tuesday of each month: begins October 3

Videos that Inform Us

A video will be shown and use as the basis for conversation. These videos will be informative, challenging, and might be controversial, but we will learn and expand our way of thinking together.

2nd Tuesday of each month: begins October 10

Soul Matters

Soul Matters uses questions as tools for individual exploration. Participants are asked to read a series of questions and find one that "hooks," speaks to, and challenges them personally. Participants will share how this question leads them to deeper personal learning. This technique avoids abstraction and helps participants apply questions to daily living.

3rd Tuesday of each month: begins September 19

Stories to Share

On this night of every month we will unearth the hidden treasure found in stories. We will be listening to personal stories told by individuals from Podcasts, that stretch us, challenge us, and maybe even change us. In listening to others stories, we hear our own, to possibly remember and be reminded we are all connected through our stories.

September 19- A story told that brings us to reflect on meaning found in the simplest things. For the storyteller, it brought him through a dark and difficult time. There is in all of us a story about a simple thing that changed our perspective, our awareness, our way of being. In sharing our stories, we remember.

4th Tuesday of each month: begins September 26

Evensong

Evensong is a program that offers participants to explore individual life journeys. Each meeting includes, check in, readings, and the discussion topics listed below. All will be encouraged to share their thoughts and feelings, their experience, doubts and current beliefs on the topic and hear others as well, as a way to deepen our understanding of ourselves and others.

The topics discussed will be:

Tuesday September 26- The Human Individuals will explore their thoughts and feelings on the nature of being human.

Tuesday October 24- The Divine Individuals will explore their thoughts and feelings of the Divine .

Tuesday November 28- Ministry Individuals will explore their thoughts and feelings about what they are called to do and be in this world.
